

On-Premise Laundry

Results are Everything

When it comes to laundry operations, results are everything, but it shouldn't come at a cost in consumption. Highly concentrated and cost effective, our comprehensive range of laundry products ensure brighter, softer and stain-free results. Linen, towels and other washable items look and feel their best with a pleasant and fresh aroma.

Value Driven Solutions

From office staff to logistics, sales people to engineers, we actively care about your business. We take great pride in providing a highly reactive, nation-wide service to all of our customers, large and small, and it is our constant endeavour to boost your laundry productivity whilst reducing running costs.

Our local service managers will create a program that will optimise performance and customise wash programs specific to your requirements, water condition and budget. Our scheduled "Preventative Maintenance Programs" and "Customer Service Reports" ensure our chemical management systems run efficiently and economically.

Our experienced sales and technical people are trained to support your staff in all aspects of commercial laundry operations. Your business will benefit from enhanced safety, increased labour productivity, minimum rewashes and reduced linen replacement costs.
